COMMUNICATION BOARDS AT HALL SCHOOL

Communication Boards supports students to initiate communication.

Students can point to a symbol or photo on a page to help express their preferences, wants and needs more effectively.

Hall School, St. Faith's Road, Old Catton
Norwich, NR6 7AD

WHAT IS A COMMUNICATION BOOK

CORE VOCABULARY
Core Vocabulary remains the same on each Communication Board.
This vocabulary makes up 75%-85% of the words we use everyday.

FRINGE VOCABULARY
Fringe Vocabulary changes depending on what the 'topic' is, adding context.
These words makes up 15%-25% of a person's vocabulary.

Communication boards can be made up in:
2x4 grid
4x4 grid
8x4 grid

COMMUNICATION BOOKS AT HALL SCHOOL

Core vocabulary is presented on the left-hand side and topic-specific vocabulary on the right-hand side of a page. At Hall School, we have our own version, based on NHS examples and Communication Apps.

Lily and Molly (NHS Speech and Language Therapists at Hall School), can assess if Communication Boards are a suitable method for Individual students. Lily and Molly offer training to all staff and parents/carers.
